Education

B.S in Computer Science Western Governor's University - *Attending*

A.S in Computer Science University of Advancing Technology – 2022

Summary

Computer Science student looking to enter workforce as graduation date is approaching. Experienced in IT support and IT administration and now looking to transition into a development role. Strong attention to detail and a strong interest in databases and backend development. I am a quick learner and I do well in fast-paced environments that throw me into the deep end.

Skills

Object Oriented Programming, Java, SQL, JavaScript, REST, C++, HTML, CSS, Linux

Work History
